

MA 125 - Reading Assignment 3 - Section 1.4 - Spring 2008

Hello, my name is _____

1. How is the approval voting method implemented?
2. **True** or **False**: No organization has ever used the approval voting method. So, it is completely pointless to study it.
3. Under what circumstances is the approval voting method particularly suitable?
4. **True** or **False**: The approval voting method is less subject to manipulation by strategic voting than Borda's method.
5. **True** or **False**: The approval voting method allows for varying levels of support for candidates.
6. Follow Examples 1 and 2. Students at a local high school are using the approval voting method to elect a homecoming queen. Here are the approval tallies of the candidates.

	Number of voters				
	1	3	2	4	2
Candidate 1	✓			✓	✓
Candidate 2	✓		✓		✓
Candidate 3		✓	✓		

Who wins the election?
